

Peace Of Mind (Album Version)

Neil Young

This, a new revelation
speaks a message
to me
without hesitation
rings out loud and clear

Seize your peace
of mind

This American nation
takes the message
from me
without hesitation
robs the message
from me

Seize your peace
of mind

Without all the fanfare
rings out loud and clear
Without all the
grandstands
rings out loud and clear
Wait up for me
Wait up for me now

This, the ancient
of nations
holds the message
for me
without hesitation
rings out loud and clear

Seize your peace
of mind
