Who's Foolin' Who

Bonfire

Sometimes you get lost in the world
Get out of touch with your heart
Then one day you wake up
Did we drift to far apart?Are we gonna pick up the pieces
Just wait 'til our lease is up
What about all the things we lived for
No one wins if we walk on out that doorIf we don't stay together, we're foolin' ourselves
Without you, girl it's a livin' in hell
Who's foolin' who...
All caught up, all worn out
This prison doesn't change
Got to talk, spell it out
Before it's just to lateAll the times I didn't see
Even when you cried in front of me
How could I think that I didn't need you
How could you think that I'd ever be untrueIf we don't stay together, we're foolin' ourselves
Without you, girl it's a livin' in hell
Who's foolin' who...Are we gonna pick up the pieces
Just wait 'til our lease is upIf we don't stay together, we're foolin' ourselves
Without you, girl it's a livin' in hell...
Who's foolin' who, oh oh oh oh oh
If we don't stay together, we're foolin' ourselves
Without you, girl it's a livin' in hell
Who's foolin' who...
