

White Sails (Demo)

Marques Toliver

I Was Just A Little Boy, Swimming In The Ocean.
My Past Mistakes And Future Joys I Dont Think
I Can Swim This On My Own, Swim This On My Own, Swim This On My Own, Swim This On My Own
Destiny Fall Down, Wipe Away My Past Mistakes
The Sun Aint Shining Now, I Dont Think
I Can Make This Place My Home, Make This Place My Home, Make This Place My Home, Make This Place
My Home...
Sit By Me Fold me Your Voice To My Ears, To My Ears.
Sit By Me Fold Me Your Voice To My Ears, To My Ears
If I Abide To Your Will, Will I Never Have No Pain? Will I Never Have No Pain?
Im Tired, But My Body Hold Me, Led Me By The River Side, So I Can Die
Please Be Still, Cause Im Complacent Here, And Im By The River Side, Im By The River Side...
I Was Just A Little Boy, Swimming In The Ocean.
My Past Mistakes And Future Joys I Dont Think
I Can Swim This On My Own, Swim This On My Own, Swim This On My Own, Swim This On My Own
Destiny Fall Down, Whip Away My Past Mistakes.
The Sun Aint Shining Now, I Dont Think
I Can Make This Place My Home, Make This Place My Home, Make This Place My Home, Make This Place
