

# Worst-Case Scenario

## Blind Myself

I wanna be the number one

The One out of a million

I wanna climb the highest peak

And get all the best critique I wanna be the number one

The special and the chosen one

I wanna be the king of kings

To be the master of the strings

Worst-Case Scenario - Get yourself prepared and go

Worst-Case Scenario - Much anger you will swallow

Worst-Case Scenario - For a war, you need ammo

Worst-Case Scenario - Stay alert

Worst-Case Scenario - Get yourself prepared and go

Worst-Case Scenario - Much anger you will swallow

Worst-Case Scenario - For a war, you need ammo

Worst-Case Scenario - Stay alive

Hoping the best but getting the worst

Paying the debt - playing unrehearsed

Is it a test or is it a game?

Nevertheless, you'll never

Be the same

Be the same

Worst-Case Scenario - Get yourself prepared and go

Worst-Case Scenario - Much anger you will swallow

Worst-Case Scenario - For a war, you need ammo

Worst-Case Scenario - Stay alert

I walk away now
