

Stuck In The Middle With You

Louise

Well, I don't know why I came here tonight
I got the feelin' that somethin' ain't right
So scared in case I fall off my chair
And I'm wonderin' how I'll get down the stairs
Clowns to the left of me, jokers to the right
Here I am, stuck in the middle with you
Yes, I'm stuck in the middle with you
And I'm wonderin' what it is I should do
It's so hard to keep this smile from my face
Losin' control, yeah, I'm all over the place
There's clowns to the left of me, jokers to the right
Here I am, stuck in the middle with you
Well, you started out with nothin'
And you're proud that you're a self-made man
And your friends, they all come crawlin'
Slap you on the back and say, "Please, please"
Tryin' to make some sense of it all
But I can see, it makes no sense at all
Is it cool to go to sleep on the floor?
'Cause I don't think that I can take anymore
Clowns to the left of me, jokers to the right
Here I am, stuck in the middle with you
Well, you started out with nothing
And you're proud that you're a self-made man
And your friends, they all come crawlin'
Slap you on the back and say, "Please, please, please"
Well, I don't know why I came here tonight
I got the feelin' that somethin' ain't right
I'm so scared in case I fall off my chair
And I'm wonderin' how I'll get down the stairs
There's clowns to the left of me, jokers to the right
Here I am, stuck in the middle with you
Here I am, stuck in the middle with you
Stuck in the middle with you
Yes, I'm stuck in the middle with you
Stuck in the middle with you
Stuck in the middle with you
