Advisory - the following lyrics contain explicit language:

Well, I saw the time closin' in
You said you're leavin' me
And cursed with your perfection
Well said it's right to believeWell, months and days they slowly pass
I'm not waitin' for you
You turned me 'round in your direction
I'm lookin' for you, yeahYou spin me your way
In your direction
You pull me your way
In your directionWell, city lights are shinin' on me
Well said it's time to go
Abusin' you all across the country
Said I feel hot coals, yeahYou spin me your way
In your direction
You pull me your way
In your directionYou spin me your way
In your direction
You pull me your way
In your directionYou spin me your way
In your direction
You pull me your way
In your direction
