Save Me

Rival Sons

I know that everybody wants somebody they can trust,
To pull their head right out of the sand.
I look forward and behind but I can't seem to find,
Someone to take the snakes our of my hand.
I climbed up the mountain and I killed the beast,
Just because they said it couldn't be done.
Come home to an empty house,
Got nothing to eat and I'm still on the run.Who's gonna save me, who's gonna save me?You know the river is deep and the water is cold,
And the sun's burning up my eyes.
I've got promises to keep and I just can't sleep,
Until my dreams get materialized.
I know that everybody wants somebody they can trust,
And a body that they can lean on.
I get ready for the rumble,
Look over my shoulder and all my friends are gone.Who's gonna save me, who's gonna save me?
