

Tonight (I'm Lovin' You)

Enrique Iglesias

You... You...

I know you want me, I made it obvious that I want you too
So put it on me, Let's remove the space between me and you
Now rock your body, Damn I like the way that you
move

So give it to me, Cause I already know

What you wanna do

And here's the situation, Been to every nation
Nobody's ever made me feel the way that you do

You know my motivation, Given my reputation

Please excuse me I don't mean to be rude

But tonight I'm loving you, Ohh you know
That tonight I'm loving you, Ohh you know

That tonight I'm loving you, Ohh you know

That tonight I'm loving you, Ohh you know

That tonight I'm loving you

You're so damn pretty, If I had a type then baby it would be you

I know you're ready, If I never lied then baby, You'd be the truth

And here's the situation, Been to every nation

Nobody's ever made me feel the way that you do

You know my motivation, Given my reputation

Please excuse me I don't mean to be rude

But tonight I'm loving you, Ohh you know

That tonight I'm loving you, Ohh you know

That tonight I'm loving you, Ohh you know

That tonight I'm loving you, Ohh you know
That tonight I'm loving you

Tonight I'm gonna do, Everything that I want with you

Everything That you need, Everything that you want

I wanna honey, I wanna stunt with you
From the window to the wall, Gotta give you my all

Winter and the Summertime, When I get you on the springs

I'mma make you fall, You got that body

That make me wanna, Get up on the floor

Just to see you dance, And I love the way

You Shake that ass

Turn around, And let me see them pants

You're stuck with me, I'm stuck with you

Let's find something to do

Please excuse me, I don't mean to be rude

But tonight I'm loving you, Ohh you know

That tonight I'm loving you, Ohh you know

That tonight I'm loving you, Ohh you know

That tonight I'm loving you, Ohh you know

That tonight I'm loving you!
