

# Soul on Fire

Danzig

Angels fall to earth  
World heats down, cool  
Now your heart is cold  
Waiting on the summerOf my soul  
Of my soul  
Of my soul  
Of my soulDevil-girl you must burn  
Burn at the touch of autumn's breath  
Burn that heart of cold  
Simmering in the SamhainOf my soulGotta wait on the Samhain of my soul, yeah  
Gonna bring your world down in fireAngels fall to earth  
World heats down  
Oh, now you heart is cold  
Waiting on the summerOf my soulGotta wait on the Samhain of my soul, yeah  
Gonna bring your world down in fireGotta wait on the Samhain of my soul, yeah  
Gonna bring your world down in fireCome wrap my love in your house of ice  
Melt you down more than once or twice  
Make you shake till the world aligns  
See your body tremble with the blood on fire'Cause the season in my veins will end your world  
To the season of the flames you must pray and learn  
Change all the things that you've ever seen  
Change all vision, kill all endingsGotta wait on the Samhain of my soul, ooh yeah  
Gonna bring your world down in fireGotta wait on the Samhain of my soul, ooh yeah  
Gonna bring your world down in fireGotta wait on the Samhain of my soul, ooh yeah  
Gonna bring your world down in fireGotta wait on the Samhain of my soul, ooh yeah  
Gonna bring your world down in fire
