

# Brand New Day

Neil Patrick Harris

This appeared as a moral dilemma  
Cause at first it was weird though I swore to eliminate  
The worst of the plague that devoured humanity  
It's true I was vague on the 'How'  
so how can it be that you have shown me the light? It's a brand new day  
And the sun is high  
All the birds are singing  
That you're gonna die How I hesitated  
Now I wonder why  
It's a brand new day All the times that you beat me unconscious I'll forgive  
All the crimes Incomplete, listen honestly I'll live  
Mr. Cool, Mr. Right, Mr. Know it all is through  
Now my future's so bright and I owe it all to you Who showed me the light It's a brand new me  
I've got no remorse  
Now the water's rising but I know the course  
I'm gonna shock the world  
Gonna Show Bad Horse  
It's a Brand New Day And Penny will see the evil me  
Not a joke not a dork not a failure  
And she may cry but her tears will dry  
When I hand her the keys to a shiny new Australia. It's a brand new day  
Yeah the sun is high  
All the angels sing  
Because you're gonna die Go ahead and laugh  
Yeah I'm a funny guy  
Tell everyone goodbye  
It's a brand new day
