

Ballet On Barbed Wire

Gay Black Republican

BALLET ON Barbed Wire

Tell me where to go,
which way to bend
Am I the right blood type for your society?
Donâ€™t really know where I fit in
Square peg goes in the circle again

Ballet on Barbed wire, Ballet on Barbed wire

Donâ€™t really wanna, be on the street
Whereâ€™s it taking me? Direction is free
Iâ€™m right in the middle lane,
Trying to get to the exit
which one is mine? Donâ€™t really know!

Ballet on barbed wire, Ballet on Barbed wire

these methamphetamines
are changing me,
trying to take the place
of the real person
donâ€™t really know about
Psychotropic drugs, Quaaludes
will only burn your brain!

Ballet on barbed wire, Ballet on Barbed wire

In a sea of debt, trying to do the right thing
I canâ€™t afford to live my life
Just to eat a few scrapings
to pay my rent, on time

Ballet on barbed wire, Ballet on Barbed wire

(solo)

Tell me where to go,
Which way to bend
Am I the right blood type for your society?

Don't really know where I fit in
Square peg goes in the circle again

Ballet on barbed wire, Ballet on Barbed wire
