

Church In the Wildwood

The Statler Brothers

Come to the church by the Wildwood

 Oh, come to the church in the vale

 No spot is so dear to my childhood

As the little brown church in the valeHow sweet on a clear Sabbath morning

 To listen to the clear ringing bells

 Its tones, so sweetly are calling

Oh, come to the church in the valeCome to the church by the Wildwood

 Oh, come to the church in the vale

 No spot is so dear to my childhood

As the little brown church in the valeThere she sleeps close by in the valley

 Lies one that I love so well

 She sleeps, sweetly sleeps 'neath the willow

Disturb not her, rest in valeCome to the church by the Wildwood

 Oh, come to the church in the vale

 No spot is so dear to my childhood

As the little brown church in the valeThere close by the side of that loved one

 'Neath the tree where the wild flowers bloom

 When farewell hymns shall be chanted

I shall rest by her side in the tombCome to the church by the Wildwood

 Oh, come to the church in the vale

 No spot is so dear to my childhood

As the little brown church in the vale

As the little brown church in the vale
