Odd One (Unplugged)

Sick Puppies

Odd one, you're never alone
I'm here and I will reflect you
Both of us basically unattached
To anything or anyone unless we're pretending
You live your life in your head
Some call it imagination
I'd rather focus instead on anything except
What I'm feeling
What I'm feeling
Odd one...Hey, it's gonna be okay
Hey, we're gonna laugh at this one dayOdd one, I wish I was you
You're never concerned with acceptance
We are all desperately seeking out,
And fitting in with anyone
Who will accept us
But not you, odd oneHey, it's gonna be okay
Hey, we're gonna laugh at this one dayHey, it's gonna be okay
Hey, gonna laugh at this one dayHey, it's gonna be okay
Hey, we're gonna laugh at this one dayDon't let someone tell you you're no-one
Don't let someone tell you you're no-one
Odd one...
