Shameless

Bryan Ferry

I can read your lips
I can read your mind
It's all I want to hear
Why am I so blind?And the way we were
Fatefully entwined
In a shameless world
Rock 'n' roll desire
Rock 'n' roll desire
Rock 'n' roll desireAll the things you are
In a single word
Famously inspired
Privately absurdAnd the way we were
Fatefully entwined
In a shameless world
Rock 'n' roll desire
Rock 'n' roll desire
Rock 'n' roll desireRock 'n' roll desire
Rock 'n' roll desireAnd the days go by
Morning, noon and night
Permanently wired
To a simple lifeAnd the way we were
Fatefully entwined
In a shameless world
Rock 'n' roll desire
(Rock 'n' roll desire)
Rock 'n' roll desire
(Rock 'n' roll desire)Rock 'n' roll desire
(Rock 'n' roll desire)
Rock 'n' roll desire
(Rock 'n' roll desire)
Rock 'n' roll desire
