World Outside

Dizzee Rascal

ive got shit I wanna share wit u
couple fings, explain da reasons why I cant be there wit u
back in da day we both thort we'd never split past
didnt see no definate endin to da madness n da lust
never thort id be packin n jackin for somethin more solid
I aint changed I just found a better way to steal ma knowledge
runnin around hyper criminal had me locked for a while
da studio gave me a lot, more creative style
took me to another world beyond dat e-state
some kind of haven from da beef n some of da stress mate
I wouldnt call it no escape, da roads are in ma heart
makin it dat more difficult for me to climb da chart
but its da sacrafice I make, its all good star
same reason I aint always in da hood star
I do ma thing uno im graftin like I always woz
it just aint quite like it woz, simply coz
theres a world outside of tha manor n I want u to see it
I can see, I i can see it, I can see it
theres a world outside of tha ends n I want u to see it
I can see, I i can see it, I can see it
theres a world outside of tha hood n I want u to see it
I can see, I i can see it, I can see it
theres a world outside of tha ghetto n I want u to see it
I can see, I i can see it, I can see itmoney, cars, guns, women melts my desire
im gonna stay red blooded til I expire
not caught up in da hype, im caught up in da scheme of things
seen a couple figures but I still dream of things
like da kinda shit money cant connect me wiv
unconditional love I wont regret to give
im young, black, rich an ruthless I swear star
still if u need a helpin hand u know im there star
im from da street, ur from da street, we all done dirt
now its time to flip da script, f**k da sufferin n da hurt
coz ive seen da bigger picture, its all good
there really is a world outside of da hood
theres a world outside of tha manor n I want u to see it
I can see, I i can see it, I can see it
theres a world outside of tha ends n I want u to see it
I can see, I i can see it, I can see it

theres a world outside of tha hood n I want u to see it
I can see, I i can see it, I can see it
theres a world outside of tha ghetto n I want u to see it
I can see, I i can see it, I can see it
