

# Darkest Valley (feat. Flame & Thomas Ware)

## Group 1 Crew

Cause I've walked, cause I've walked in the darkest  
Cause I've walked, cause I've walked in the darkest valley, valley...  
Oh oh oh oh I lived a life of hell then I got saved  
On your hard-drive, now I'm computer grade  
Downloaded every scripture that my mind could take  
Now I'm a PC, but with a Mac face  
Too smart to get caught up in the rat race  
I don't need the cheese, I don't need my life fast paced  
I don't need the lights, I don't need the play the hard case  
All I need is you, all I need is simple blind faith  
Now my eyes are open, seeing HD  
Definition of a prodigal who has been set free  
I can tell you stories where this world has tried to take me  
Through the darkest valley, but His grace was there to save me  
I remember when Johnny boy was shot up  
Ay Nate remember when that prison door got locked up  
I had a choice, either surrender or get chopped up  
This ain't a game, ain't nobody Xboxed up Cause I've walked, cause I've walked in the darkest  
Cause I've walked, cause I've walked in the darkest valley, valley...  
Oh oh oh oh  
Cause I've walked, cause I've walked in the darkest  
Cause I've walked, cause I've walked in the darkest valley, valley...  
Oh oh oh oh I know the second that I came into this Earth  
I was made for more than heels and rockin' cute designer skirts  
I gotta voice and though I'm scared I feel my words carry worth  
In my darkest valley I can see the Son above my Earth  
Reachin' down just to rescue me from my insecurity  
All of the abuse, my stepfather did when I was weak  
Way too young to know that I should open up my mouth and speak  
Now I see, all the years I lost tryin' to find some peace  
And when my father died I swore it was the end of me  
But Jesus gave me hope beyond the pain of what my eyes could see  
Now I stand a daughter of a father who won't ever sleep  
Truth is spoken, and now that truth is here to set you free Cause I've walked, cause I've walked in the darkest  
Cause I've walked, cause I've walked in the darkest valley, valley...  
Oh oh oh oh  
Cause I've walked, cause I've walked in the darkest  
Cause I've walked, cause I've walked in the darkest valley, valley...  
Oh oh oh oh Me and the valley (the valley), well we're well acquainted

I'm also cool with pain, heartbreak and anguish  
Ain't it crazy when funeral rides, define your childhood, experience beautiful skies  
Turn black, turn back, I'll never  
I've seen beautiful flowers grow from foul weather  
However, therefore, nevertheless,  
I'm a branch on the vine, pruning's a process  
And until I rest, I'ma see them valleys  
But I'm a be with the Son like I'm on a beach in Cali (Cali)  
Cali, He'll never leave nor forsake me (never)  
The darkness may come, but it will never break me (break me) Cause I've walked, cause I've walked in the  
darkest  
Cause I've walked, cause I've walked in the darkest valley, valley...  
Oh oh oh oh  
Cause I've walked, cause I've walked in the darkest  
Cause I've walked, cause I've walked in the darkest valley, valley...  
Oh oh oh oh
