

Sleepwalker (Bonus Tracks)

Nightwish

Close your eyes
Feel the ocean where passion lies
Silently the senses
Abandon all defenses A place between sleep and awake
End of innocence, unending masquerade
That's where I'll wait for you Hold me near you
So close I sear you
Seeing, believing
Dreaming, deceiving A place between sleep and awake
End of innocence, unending masquerade
That's where I'll wait for you Sleepwalker seducing me
I dare to enter your ecstasy
Lay yourself now down to sleep
In my dreams you're mine to keep (Sleepwalk with me) Sleepwalker seducing me
