

Always on My Mind

Phantom Planet

Everybody in this place can up and move away
For all I care this town's already dead and empty
I'm told that I'm a victim of obsession
That's what my friends say
That I'm a fool for having ever let her tempt me Well I turn pale
When she walks by
I am lost
In her eyes
She is always on my mind
She is always on my mind She glances over but she keeps on walking down the street
All I can do is hope that she is thinking of me
If I could blink, if I could breathe, if I could get my legs to move
Well this could be the day I get this girl to love me Well I turn pale
When she walks by
I am lost
In her eyes
She is always on my mind
She is always on my mind
She had turned
From a sound
Well I must have cried out loud
She is always on my mind
She is always on my mind
