Got to Be Real

Jordan Hill

What you think
What you feel now
What you know
To be realWhat you think
What you feel now
What you know
To be realOh your love's for real now
You know that your love is my love
My love is your love
Our love is here to stayWhat you think
What you feel now
What you know
To be real
I know you feel it nowOh your love's for real now
You know that your love is my love
My love is your love
Our love is here to stayWhat you think
What you feel now
What you know
To be real
Got to be realWhat you think
I think I love you baby
What you feel now
I feel I love you baby
What you know
I think I love you baby
To be real
Got to be real
Got to be real
Got to be real
Got to be real
Got to be real
To be realWhat you think
What you feel now
What you know
To be real
