

# Long Hot Summer

Keith Urban

I can't sleep, ain't no sleep a-coming  
I'm just lying here thinking 'bout you  
I'm in deep, falling deep into the picture  
In my mind of everything we're gonna do  
Over at the lake and down by the river  
You can feel it start to rise  
Wanna jump in my car, go wherever you are  
'Cause I need you by my side  
It's gonna be a long, hot summer, we should be together  
With your feet up on the dashboard now  
Singing along with the radio, it's such a beautiful sound  
And when you say my name in the middle of the day  
I swear I see the stars come out  
When you hold my hand in the back of my mind  
I'm just waiting on the sun to go down, the sun to go down  
I wanna see your brown skin shimmer  
In the sun for the first time  
I try to be the one who knows just what to do to you  
To get me that smile  
One chance of meeting, you walking by me  
On the street and I said, "Hi"  
And that was the beginning of my heart spinning  
Like these wheels in my head tonight  
It's gonna be a long hot summer, we should be together  
With your feet up on the dashboard now  
Singing along with the radio, it's such a beautiful sound  
And when you say my name in the middle of the day  
I swear I see the stars come out  
When you hold my hand in the back of my mind  
Just waiting on the sun to go down, the sun to go down  
The only place that I wanna be is where you are  
'Cause any more than a heartbeat away is just too far  
Whoa, whoa, whoa  
It's gonna be a long hot summer, we should be together  
All I really want is more than this moment right now  
'Cause when you say my name in the middle of the day  
I swear I see the stars come out  
And when you hold my hand and I look into your eyes  
I swear it looks like you're waiting on the sun to go down

The sun to go down, ooh  
Oh, I swear it looks like you're waiting on the sun to go down  
Oh, oh, whoa, oh, oh, whoa  
Waiting on the sun to go down, ooh  
Hey, yeah, ooh, I'm loving thinking 'bout you, ooh  
I can't sleep, I'm just lying here thinking 'bout you
