

Lord Move, Or Move Me

FFH

I can't find the words to pray
I'm a little down today
Can you help me?
Can you hold me?
I feel like a million miles away
And I don't know what to say
Can you hear me anyway?
What I need is for you to reach out your hand
You have taught me
No matter what you'd understand

CHORUS:

Lord move in a way, that I've never seen before
Cause there's a mountain in the way and a lock on the door
I'm drifting away, waves are crashing on the shore
So Lord move (move), or move me.

I've look every where to find
A simple peace of mind
I can't find nothing on my own
So I gotta leave myself behind
Take up this cross of mine
Give away everything I hold onto

Lord I know the only way is through this
Lord I know I need you to help me do this

CHORUS

Lord move in a way, that I've never seen before
Cause there's a mountain in the way and a lock on the door
I'm drifting away, waves are crashing on the shore
So Lord move (move), or move me.

Out of this place of complacency
To a place of fellowship with thee
Cause I am weak but Lord you are so strong

And you know it's been way too long (been way too long)

Lord move in the way, that I've never seen before
Cause there's a mountain in the way and I'll knock on the door
I'm drifting away, waves are crashing on the shore
So Lord move (move)...

CHORUS

Lord move in a way, that I've never seen before
Cause there's a mountain in the way and a lock on the door
I'm drifting away, waves are crashing on the shore
So Lord move (move), or move me.
