Making a Memory

Plain White T's

Friday night's such a beautiful night, where you going?
I didn't mean to blow it
You're upset and I don't know what I said but I'm sorry
Don't you give about me?Take off your jacket
Don't walk out that doorYou and me, we should be
Making a memory whenever we're together, yeah
Look at me, can't you see?
We were meant to be making a memoryDon't pretend, you're not smiling again, let's just leave it
You know I didn't mean it
Don't know why we put up such a fight over nothing
We could still be somethingTake off your jacket
Don't walk out that door
There's no need to leave anymore, yeahYou and me, we should be
Making a memory whenever we're together, yeah
Look at me, can't you see?
We were meant to be making a memoryCan't do this myself
No, I need some help, wanted some helpFriday night's such a beautiful night
Now you're stayingYou and me, we should be
Making a memory whenever we're together, yeah
Look at me, can't you see?
We were meant to be making a memoryFriday night's such a beautiful night now you're staying
(Making a memory, making a memory)
Don't know why we put up such a fight over nothing
(Making a memory, making a memory)
