Liquor Store

The Creech

Wake up wake up, roll out roll out of bed,
what a beautiful day,
Tick tock take time, it's too late too late to try,
it's a wonderful day, what a wonderful way Yeah
We're rolling down to the Liquor Store,
hook up something sweet for the ladies and whiskey for the boys,
Shut up shut up, shut up show me the way,
It's a beautiful day, such a beautiful day Yeah
We're rolling down to the Liquor Store,
hook up something sweet for the ladies and whiskey for the boys,
Down to the Liquor Store,
hook up something fine for your mommies and whiskey for the boys (for the boys!!)
Rise up rise up, tick tock take time,
It's too late too late, so wake up roll out roll out

Down to the Liquor Store,
hook up something sweet for the ladies and whiskey for the boys,
Down to the Liquor Store,
hook up something fine for your mommies and whiskey for the boys
When a twelve pack ain't enough,
the going gets tough..
We're rolling down to the Liquor Store,
hook up something sweet for the ladies and whiskey for the boys,
Down to the Liquor Store,
hook up something fine for your mommies and whiskey for the boys
It's a wonderful day.
