# Corrupted

## MelodÃ¯core

This is your number one station
your official station
bringing you the vibe
where music make you
you can't feel no pain
??
You had to take it all
You greedy
and you ain't got a soul
it's so easy
takin' from the poor
givin' to the rich
deceivin, you're a pocket-suckin' schemin' bitch
see that plastic smile
turns me off it's vile
lying every way
living for the prey
Whatever to you
Get up, you've gone corrupted
I see that it's true
Get up, you've got corrupted
Taken aback the way you love me
Taken aback the way you were
Someone we could all could trust
Whatever to you
Get up, you've gone corrupted
I see that it's true
Get up, you've got corrupted
No mercy
you're showin'
your harms they
agrowin'
first you're someone I can really trust
then that trust, it starts to rust

I see that plastic smile
turns me off it's vile
lying every way
living for the prey

Whatever to you
Get up, you've got corrupted
I see that it's true
Get up, become corrupted
Taken aback the way you love me
Taken aback the way you were
Someone we could all could trust
Whatever to you
Get up, become corrupted
I see that it's true
Get up, you've got corrupted
shakin hands and kissin babies
talking down, we must survive
our policies we upset now
what a tangled web we weave
yet we practice to deceive
get corrupted
you're corrupted
you're corrupted
You talk
greed greed greed greed
avalicious greed
talking infecting at the center of it
greed greed greed greed
avalicious greed
now you're infected ya we've been corrupted
greed greed greed greed
avalicious greed
talking infecting at the center of it
greed greed greed greed
avalicious greed
now you're infected ya we've been corrupted
