## Frankmusik

FM Frankmusik, FM Far East Movement

3x F.M

[frankmusik - Verse 1]Pick you up, Pick you up

Play me like your favorite song

Lick it up, Lick it up

Drink tequila til it's gone

You know I like what you do

You paint the time like I'm blue

Like a glove, like a glove

Gonna fit you like a glove

Drop it down, by the bound

Now this room is showin love

This love is stronger than life

We only run things at night

[Chorus ]We only do it in the a.m , A - M

We only do it in the a.m, A - M

We only do it in the a.m, A - M

We only do it in the A to the M

Then we do it again, baby

[frankmusik - Verse 2]Get it now, get it now

Gonna show some people how

You impress, You impress

Competition ain't the best

Last one's in, first one's out

Baby we ain't the crack

From our seats, from our seats

Everybody wants a piece

Watcha think, buy a drink

Keep on shining til we sink

We got our own little crew

Me ain't followng you

[Chorus ]We only do it in the a.m, A - M

We only do it in the a.m, A - M

We only do it in the a.m, A - M

We only do it in the A to the M

Then we do it again, baby

[Far East Movement - Rap Verse]No time for chit chat, blah, blah

Let's get down to business, yeah

I don't play around  
When the club shuts down  
I'm a zombie, how to kill this  
Midnight mansion, don't mention  
Holiday inn or champion's flashing  
Free wired with the Far East Movement  
And frankmusik we party crashin  
Get love in the AM  
Get love in the AAM  
Get love in the AM  
Get love in the AAM,  
FM, frankmusik, FM, Far East Movement  
FM!

[Chorus ]We only do it in the a.m, A - M  
We only do it in the a.m, A - M  
We only do it in the a.m, A - M  
We only do it in the A to the M  
Then we do it again, baby
