Breaking My Heart

Weatherstar

Need to know, I don't wanna know
Already know, I've seen the signs
I watch you as you pull yourself away from me
Can't believe, I wanna believe
How can I believe, you're making me doubt
I thought I knew you I don't even know myself
I'm losing faith
I'm losing all faith
You're breaking my heart, breaking my heart
You're breaking my heart again
Don't ask me to start, ask me start
Don't ask me to start again, start again
I wanna fight, afraid to fight
Why don't I fight and make you see

I hold my breath and disappear inside myself
I'm losing strength
I'm losing all strength
You're breaking my heart, breaking my heart
You're breaking my heart again
Don't ask me to start, ask me start
Don't ask me to start again, start again
Oh you're breaking my heart again
Don't ask me to start, ask me to start
Just don't ask me to start again, start again, no
Oh no no
I'm losing you
I'm losing, you
