

# Previously on Other People's Heartache...

## Bastille

Previously on other people's heartache...What would you do?This is your heart...This is the rhythm of  
the...Runs through your veins, can you feel it?Oh...The night, oh...Her name was Londy, she went to junior high  
with...A tornado flew around...Icarus is flying too close to the sun,  
Icarus' life has only just begun,  
This is how it feels to take a fall,  
Icarus is flying towards an early grave...
