

# Hotel Room

Fiona Boyes

I'm all alone in this hotel room  
The fear inside of me is uncontrollable  
I hear the cops, see the sun, the sky is blue  
And all I can think about is being with you  
Guess, I'm all alone again, so  
Do you think you know the way I feel?  
And do you think you feel the way I do?  
'Cause I am all alone, all my friends are home  
And soon I'll be there, wishing I was here  
Do you think you know the way I feel?  
And do you think you feel the way I do?  
'Cause I am all alone, all my friends are home  
And soon I'll be there, wishing I was here  
Never once did I seem to care  
If I didn't have anybody near  
But now I do and I don't know what to say  
I feel lost in every possible way  
Guess, I'm all alone again, so  
Do you think you know the way I feel?  
And do you think you feel the way I do?  
'Cause I am all alone, all my friends are home  
And soon I'll be there, wishing I was here  
Do you think you know the way I feel?  
And do you think you feel the way I do?  
'Cause I am all alone, all my friends are home  
And soon I'll be there, wishing I was here  
Wishing I was here  
Wanna call you but I know I can't call you  
Wanna see you but I know I can't see you  
Wanna touch you but I know I can't touch you  
Wanna be inside of you  
Wanna call you but I know I can't call you  
Wanna see you but I know I can't see you  
Wanna touch you but I know I can't touch you  
Wanna be inside of you, wanna be inside of you  
Do you think you know the way I feel?  
And do you think you feel the way I do?  
'Cause I am all alone, all my friends are home  
And soon I'll be there, wishing I was here

Do you think you know the way I feel?  
And do you think you feel the way I do?  
'Cause I am all alone, all my friends are home  
And soon I'll be there, wishing I was here  
(Do you know the way I feel?)  
Wishing I was there  
(Do you know the way I feel?)  
Wishing I was there  
(Do you know the way I feel?)  
Wishing I was there  
(Do you know the way I feel?)  
Wishing I was there
