Wound

:Wumpscut:

Its happening all the time
When I open my eyes
I'm still taken by suprise
I hold sunlight and swallow fireflies
And it makes me want to cryI love youI shall never grow up
Make believe is much to fun
Can we go far away to the humming meadow[Sherri's singing]
We were walking there
I had tangles in my hair
But you make me feel so pretty
You have shinning eyes
Yes like those forest lights
And it makes me want to cry[Stacy's singing at the same time]
I was just wishing you were here
So we could walk down with to me
And we could throw all our leaves
Seeing our dragon when we lookI love youI shall never grow up
Make believe is much to fun
Can we go far away to the humming meadowI shall never grow up
Make believe is much to fun
This place is so lovely
It kind of makes me very happy
Lets go far away to the humming meadowTo the humming meadowTo the humming meadow
