Lay All Your Love On Me

Sylver

I wasn't jealous before we met
Now every woman I see is a potential threat
And I'm possessive, it isn't nice
You've heard me saying that smoking was my only vice
But now it isn't true
Now everything is new
And all I've learned has overturned
I beg of you...Don't go wasting your emotions
Lay all your love on meIt was like shooting a sitting duck
A little smalltalk, a smile and baby I was stuck
I still don't know what you've done with me
A grown-up woman should never fall so easily
I feel a kind of fear
When I don't have you near
Unsatisfied, I skip my pride
I beg you dear...Don't go wasting your emotions
Lay all your love on me
Don't go sharing your devotions
Lay all your love on meI've had a few little love affairs
They didn't last very long and they've been pretty scarce
I used to think that was sensible
It makes the truth even more incomprehensible
'Cause everything is new
And everything is you
And all I've learned has overturned
What can I do...Don't go wasting your emotions
Lay all your love on me
Don't go sharing your devotions
Lay all your love on me
