

Temple Beautiful (Live on KEXP)

[Chuck Prophet](#)

There she stood right next to me at the Temple Beautiful
The lights went off and the band came on at the Temple Beautiful
She got so excited, Shoo be doo bop wop
So excited, Shoo be doo bop wop
There she stood right next to me at the Temple Beautiful Her mind was dirty but her hands were clean at the
Temple Beautiful
Two guitars, bass and drums at the Temple Beautiful
She got so excited, Shoo be doo bop wop
Manchester United
There she stood right next to me at the Temple Beautiful Someday there's gonna be a revolution
Till then you'll need an iron constitution The lights came on, it was a whole new world at the Temple Beautiful
I got the gig but I lost the girl at the Temple Beautiful
She got so excited, Shoo be doo bop wop
Manchester United Her mind was dirty but her hands were clean at the Temple Beautiful
Everybody knew it could not last - Temple Beautiful
And now the future's here but it feels like the past - Temple Beautiful
Now I don't remember what happened next - Temple Beautiful
Well we might've got high, we might've just left - Temple Beautiful Someday this is all gonna be gone - Temple
Beautiful
