

# Iniquity

## Serenity

Faces walking by  
Voices just pretending  
No one really tries  
To seek the beauty inside  
Their thoughts stuck in my mind  
Their ignorance kept growing  
The world is passing by  
As darkness filling the light  
Breathing in and calming down while nature's calling  
And so I close my eyes to leave this all behind  
Justice defines the truth and the lies  
Where is the end to stop the fall  
Seems hard to find our balance in life  
With the sense of all  
Iniquity rise, you cannot stay blind  
Thoughtless while searching for the core  
We can't deny our sacrifice  
If we stop the fall  
I wished I could escape  
Fly like birds are flying  
Find a better place  
Find my peace and home  
Breathing in and calming down while nature's calling  
And so I close my eyes to leave this all behind  
Justice defines the truth and the lies  
Where is the end to stop the fall  
Seems hard to find our balance in life  
With the sense of all  
Iniquity rise, you cannot stay blind  
Thoughtless while searching for the core  
We can't deny our sacrifice  
If we stop the fall
