Rolling Thunder

Max Bunyan

It's the weight below us
And our fate before us
Like a rolling thunder
Rolling up from under
Don't ever leave this way
I know it's getting harder but hey
If your world should crumble, yeah
And the rain gets in
Running through your skin
Soaking you outside in
The rain, see it falling
But I don't know how long it will be
Until the storm's over
I'll wait, I will
Like the years of silence
To the growing violence
Like a rolling thunder
Rolling up from under
Don't ever leave me this way
Wait a little longer, yeah, stay
Through the night I tumble, yeah
When the rain comes in
I will shed my skin
Losing it from within
See the rain, it's falling
But I, I won't be leaving your side
Until all is over
'Cause, I'll wait, I will
So many lifetimes
You've been waiting for it
All through the good times
When you tried to ignore it
Hesitate
It's come too late
Hear the sound
Of wheels engage
When the rain comes in
I will shed my skin
Losing it from within

The rain keep falling
But I, I won't be leaving your side
Until all is over
'Cause, I'll wait 'cause I will
But I don't know how long it will be
Until the storm's over
But I'll wait 'cause I will
All is over
But I'll wait, I will
