Bad Bad Boy

Haywire

I know this
It doesn't seem like me
You got me beggin'
I'm on my knees
But I can't remember
When I felt so hot
Do you want me or not
You're teasin' never pleasin'
And you can see by my
Tortured look
Make up your mind or
Shake your fist
Just don't leave it like this

And you say tonight
Only when the feeling's right
Don't wanna be someone's toy

Bad Bad Boy
Bad Bad Boy
Bad Bad Boy
She said, Bad Bad Boy

I told you once
I'll tell you again
I love all my girls until the end
So baby don't you act so cruel to me
Just touch my body
Don't wanna force you, force you
I guess you need a little more time
You steal a heart you steal my love
Oh it's such a crime

And you say tonight
Only when the feeling's right
I don't wanna be someone's toy

Bad Bad Boy
Bad Bad Boy
Bad Bad Boy

She said, Bad Bad Boy

I know
It doesn't seem like me
You got me beggin'
I'm on my knees
I can't remember
When I felt so hot
Do you want me or not

And you say tonight
Only when the feeling's right
Don't wanna be someone's toy

Bad Bad Boy
Bad Bad Boy
Bad Bad Boy
She said, Bad Bad Boy

Bad Bad Boy
She said, Bad Bad Boy
Bad Bad Boy
Just a little
Just a little
Just a little
Bad Bad Boy
Over, over
Over and over and over again
