

Ignite

Sons Of Zion

Instrumental Ignite to my desire, (desire)
I can feel the electricity through my veins, yeah
Ooh yeah I know I'm on the dawn of greatness, yeah, yeah, yeah, yeah
Understand it's yours if you wanna take it, yeah It's the power in love, the power in us, the power in God, is the
power we trust
So I'll make the stand, and I'll show you the way (I'll show you the way) Been working for so long now,
To keep you comin' back for more,
Survival of the strong ones,
I've seen too many rise and fall (rise and fall)
I've got to keep on moving,
It's the people that'll make me strong
And now you know it's yours,
You just gotta take it, yeah
It's the power in love, the power in us, the power in God, is the power we trust
So I'll make the stand, and I'll show you the way (I'll show you the way) It's the power, in love
It's the power, in us, yeah
It's the power, in God, yeah
It's the power, that we trust
Yeah
It's the power in love, the power in us, the power in God, is the power we trust
So I'll make the stand, and I'll show you the way x2
