

Outta My Head

Craig Campbell

I rode around long enough
With my windows down
Let that breeze roll in, carry your perfume out
I took your number and messages off my phone
Oh, but you ain't gone Wish I could close my eyes and not have to see you smiling
Yeah, yeah, can't get you outta my head
You're dancing all around it, girl you got me surrounded,
Yeah, yeah, can't get you outta my head
I got you off these walls, I got you outta my bed
But girl I'm no better off, can't get you outta my head Seems like your memory, has got a map of my mind
No matter where I go, you find me every time
Alone or in a crowd, I hear you whispering baby
It's driving me crazy Wish I could close my eyes and not have to see you smiling
Yeah, yeah, can't get you outta my head
You're dancing all around it, girl you got me surrounded,
Yeah, yeah, can't get you outta my head
I got you off these walls, I got you outta my bed
But girl I'm no better off, can't get you outta my head Damn, you're hard to forget
Oh oh oh Yeah, wish I could close my eyes and not have to see you smiling
Yeah, yeah, can't get you outta my head
You're dancing all around it, you still got me surrounded,
Yeah, yeah, can't get you outta my head
I got you off these walls, I got you outta my bed
But girl I'm no better off, can't get you outta my head
You're nowhere close to being gone outta my head
Mm, outta my head No you ain't gone,
No you ain't gone,
Yeah outta my head
