

# Free for All

## Art Blakey & The Jazz Messengers

Never before have I turned on you  
You looked too good to me  
Your beady eyes, they can cut me in two  
And I just can't let you be  
It's a free-for-all and I heard it said  
You can bet your life  
Stakes are high and so am I  
It's in the air toni-i-ightI see you there with your cheshire grin  
I got my eyes on you  
Shake your tailfeathers in my face  
And there's no tellin' what I'll do  
Well looky here, you sweet young thing  
The magic's in my hands  
When in doubt I whip it out  
I got me a rock 'n' roll band  
It's a free-for-allHere we go, look out below  
I'm on the prowl tonight  
When it's said and done I have my fun  
I can chew anything I bite  
Come one, come all to a midnight ball  
The invitation's there  
I come alone and I'm drivin' home  
I'm healthy, I do declare  
It's a free-for-allNever before have I turned on you  
You looked too good to me  
Your beady eyes, they can cut me in two  
And I just can't let you be  
Well, it's a free-for-all and I heard it said  
You can bet your life  
Stakes are high and so am I  
It's in the air tonight  
It's a free-for-all!
