

Hold On

Extreme Music

You've been on this road too long
Hearing music but it's not your song
Wanna scream but your voice is gone
Days trapped inside your head

Can't look up cause your world is down
Walking miles staring at the ground
All alone inside the crowd
Letting pockets hold your hand

But the sun is always there to shine
The clouds block out the sky

Oh hold on
Just once more day
Oh hold on
You know you'll found a way
Hold on
You've got stars in your eyes
So lets paint the sky

Oh hold on
Just one more time
Hold on
I'll be your reason why
Hold on
You've got stars in your eyes
So lets paint the sky

So lets paint the sky

It's time to start remembering dreams
Lift your eyes see the things unseen
Remember who you wanna be
Let the light hit your eyes

Let out the beauty that's been trapped inside
Let them know that your not gonna hide
Hey up there your arms open wide spread your wings and fly But the sun is always there to shine

The clouds don't own the sky

Oh hold on
Just one more time
Hold on
You know you'll find a way
Hold on
You've got stars in your eyes
So lets paint the sky
Oh hold on
Just one more time
Hold on
I'll be your reason why
Hold on
You've got stars in your eyes
So lets paint the sky

Oh oooh oh oh oh
Oooh oh oh oh
Oooh oh oh oh
Oooh oh oh oh
Oooh oh oh oh
Oooh oh oh oh
Oooh oh oh oh

Hold on
Hold on
Hold on
You've got stars in your eyes
So lets paint the sky

Oh hold on
Just once more day
Hold on
You know you'll found a way
Hold on
You've got stars in your eyes
So lets paint the sky

Oh hold on
Just one more time
Hold on
I'll be your reason why
Hold on
You've got stars in your eyes

So lets paint the sky

Oh hold on, Oh hold on, Oh hold on

You've got stars in your eyes

So lets paint the sky

Oh hold on, Oh hold on, Oh hold on

You've got stars in your eyes

So lets paint the sky So let's paint the sky
