

mOBSCENE

Marilyn Manson

Ladies and Gentlemen We are the things of shapes to come
Your freedom's not free or dumb this depression is great
The deformation age, they know my name
Waltz into scum and base a marriage of the pain Bang, they want it, bang, they want it
Bang, bang, bang, bang, bang You came to see the mOBSCENE
I know it isn't your scene
It's better than a sex scene
And it's so fucking obscene, obscene, yeah You want commitment?
Put on your best suit
Get your arms around me
Now we're going down, down, down You want commitment?
Put on your best suit
Get your arms around me
Now we're going down, down, down Be obscene, be, be obscene
Be obscene, baby, not heard The day that love opened our eyes we watched the world end
We have our places, but we have no friends
They told us sin's not good but we know it's great
War time full frontal drugs, sex-tank armor plate Bang, they want it, bang, they want it
Bang, bang, bang, bang, bang You came to see the mOBSCENE
I know it isn't your scene
It's better than a sex scene
And it's so fucking obscene, obscene, yeah You want commitment?
Put on your best suit
Get your arms around me
Now we're going down, down, down You want commitment?
Put on your best suit
Get your arms around me
Now we're going down, down, down Be obscene, be, be obscene
Be obscene, baby, not heard
Be obscene, be, be obscene
Be obscene, baby, not heard You came to see the mOBSCENE
I know it isn't your scene
It's better than a sex scene
And it's so fucking obscene, obscene, yeah You want commitment?
Put on your best suit
Get your arms around me
Now we're going down, down, down You want commitment?
Put on your best suit
Get your arms around me

Now we're going down, down, down Ladies and gentlemen, be obscene
Be obscene, be, be obscene Be obscene, be, be obscene
Be obscene, baby, not heard
Be obscene, be, be obscene
Be obscene, baby, not heard
Bang, bang, bang, bang, bang
