

Starcrazy

Suede

She's star starcrazy electric shock bog brush hair
Flat on her back in the eighties in the nineties going nowhere
Star star crazy got a kicking transistor inside A heavy metal stutter that brains me
And an electric love in her eyes
Oh she don't want education
She got nothing to say
She got no imagination (so they say)
Why does she feel this way?
'Cause she's star starcrazy getting stupid on the streets tonight
And shaking like a mechanical thing
With an electric love in her eyes
Oh, she don't want education
She got nothing to say
She got no imagination (so they say)
So why does she feel this way?
Picnic by the motor way
I'm so sorry to hear about the news Don't you worry
I'll buy us a bottle and we'll drink in the petrol fumes
I'm so sorry to hear about your world
Don't you worry There's a gap in the fence down by the nature reserve
Hey, such a lovely day, such a lovely day
Such fun, looking at the lovers in a lay-by with my little one
I'm so sorry to hear the news today
Don't you worry There's been a speeding disaster so we'll go to the motor way
I'm so sorry to hear about the scene
Don't you worry Just put on your trainers and get out of it with me
Hey, such a lovely day, such a lovely day
Such fun, looking at the lovers in a lay-by with my little one
Hey, such a lovely day, such a lovely day
Such fun, looking at the lorries in the litter with my lovely one
We could go dancing, we could go walking We could go shopping, we could keep talking
We could go drinking, we could sit thinking
We could go speeding, or we could go dreaming, see?
Oh hey
