

# Persuasion (original David Rubinson Session)

## Santana

You got persuasion  
I can't help myself  
You got persuasion  
I can't help myself  
Something about you baby  
Keeps me from goin' to somebody else Yeah, any way you want  
Now, now baby  
You put me in a daze  
All the time  
Look what cha got for me baby  
Like the devil in disguise Something about you baby  
You're one  
You're one of a kind Oh this spell you put on me  
Has just outdone me babe  
I can't keep the rain from comin' down Look out now  
I can't get out from under  
But I wouldn't want to  
Even if I can Something about you baby  
Make me feel  
Make me feel like a man
