

# Love Love Love (feat. Stevie Wonder)

**Tina Campbell**

x2

Love, Love, Love, Love, Love V1 Stevie Wonder  
Every morning I wake up you're  
The reason for my smile  
Before I close my eyes it's you I'm thinking about  
Every part of you loves every part of me  
I never knew before that this is how it could be 'Cause I'm so satisfied, I'm amazed  
I'm over-joyed in every way  
It ain't nothing like what I'm feeling  
Oh it's good and it's love  
V2 Tina Campbell  
All of my fans and all of my friends  
My big old family, especially my kids  
My husband's in his own class  
He's the head of them all but nobody  
Can compare to my Savior God 'Cause I'm so satisfied, I'm amazed  
I'm over-joyed in every way  
It ain't nothing like what I'm feeling  
Of it's good and it's love  
Bridge  
I thought it was too good to be true  
It is better than anything you I've known  
With Him in all bits and pieces so pure  
And you're sure that it's real love x4
