I'm Always On a Mountain When I Fall

Randy Travis

Most of my life I've almost been a winner
I've come so close but never really won
Just when I thought I'd finally made it
I find myself back where I started fromI hate to say I'm giving up but I believe
Losing's just become a way of life for me
Losing wouldn't be so bad at all
But I'm always on a mountain when I fallThen you came along and had me had me believing
For once in my life my luck had finally changed
And now you say you're gonna leave me
Seems everything I do winds up the sameI hate to say I'm giving up but I believe
Losing's just become a way of life for me
Losing wouldn't be so bad at all
But I'm always on a mountain when I fall
Losing wouldn't be so bad at all
But I'm always on a mountain when I fall
