D to the roc, my nigga Kaine
Up in the cut, pouring it up
Rolling it up, holding it up
Ain't her ass swollen or what?
Yes sir, yes sir
Oh we gonna take it back like thieves and foes
Nasty as I wanna be that makes me 2 live for your crew
Hoe, get down get low
I'm crossin' these mammas like tic tac toe
Let's ride let's go
Get loose get crunk, get drunk get blown
That's right let's roll
MIA ATL fo sho

Take off this strip of clothes, I wanna see you in the nude
You can keep on your high heel shoes
So follow me down the yellow brick road
Where niggaz go to see naked hoes
Shake that shit bitch

Have me off in the club with a hard ass dick
Then drop like this bitch
If you wanna make the money shawty work that shit
Put a hump in your back and lick it raw
To a 3 point stance put your fist up her ass
You must be on the Kanye work out plan
Like head, shoulders, knees, hoes
Shake shake, just shake shake
Just shake shake
Just shake, chica shake shake
Shake shake, just shake shake
Just shake shake
Just shake, chica shake shake
Mentirosa, mentirosa
Mentirosa, mentirosa
Mentirosa, mentirosa

Yeah we break it down, betta shake a booty hoe
And the hoes in the club with the real tight clothes
One time for the gang with the Ying Yang tip
We already know we off the reel
Don't tolerate that talkin'
Bitch you can get the walkin'
Patron is what I'm groaking
The only way that we gonna talkin'
If your breath smells like mine

Girl I don't give a fuck ?cause you fine
I diss 'em fo I kiss 'em
I pack 'em fo I stack 'em
So while we in the club betta get these girls
'Cause on the streets there ain't no action
Shake shake, just shake shake
