Cold Blood

Dave Not Dave

They call me useless, careless, nobody ought to miss
With the thing they don't understand
They call me hopeless, heartless, there's no way out of this
When it's so far out of your hand
I confess there's a hole in my chest
From the things that I did
And the gun in my hand
I won't rest till it's all done and set
And I get what I giveI'm a pain dealer
I'm a faith healer
I'm a soul stealer
And I'm coming for you
I'm a dream breaker
I'm a truth maker
I'm a cold-blooded killer
And I'm coming for youAnd there's nothing you can do
I'm coming for youThey call me freedom falling
Don't you hear me calling?
I'm the voice in the back of your head
With the wisper out there, over your shoulder
Don't you wish you never let me in?
I confess that the devil's my kin
I'm a brother to sin
Since I don't win
I won't rest till it's all done and set
And I get what I giveI'm a pain dealer
I'm a faith healer
I'm a soul stealer
And I'm coming for you
I'm a dream breaker
I'm a truth maker
I'm a cold-blooded killer
And I'm coming for youAnd there's nothing you can do
I'm coming for youI'm a pain dealer
I'm a faith healer
I'm a soul stealer
And I'm coming for you
I'm a dream breaker
I'm a truth maker

I'm a cold-blooded killer
And I'm coming for youAnd there's nothing you can do
I'm coming for you
