

Sorcerer

Marilyn Martin

I'm tired, I'm thirsty
I'm wild eyed in my misery
Timeless, in your finery
A high price for your luxury Sorcerer, who is the master
Man and woman on a star stream
In the middle of a snow dream
Sorcerer, show me the high life
Come over, let me put you on ice I'm tired when I need you badly
Wild eyed in the middle of your dreams
Timeless, it's a mystery
All the way, now, it's never what you see Sorcerer, who is the master
Man and woman on a star stream
In the middle of a snow dream
Sorcerer, show me the high life
Come over, let me put you on ice All around, black ink darkness
And who found the lady from the mountain
All around, black ink darkness
Who found the lady from the mountain The lady from the mountain
The lady from the mountain
The lady from the mountain I'm tired, I'm thirsty
I'm wild eyed in my mystery
Timeless, in your finery
A high price for your luxury Sorcerer, who is the master
Man and woman on a star stream
In the middle of a snow dream
Sorcerer, show me the high life
Come over, let me put you on ice Sorcerer, who is the master
Man and woman on a star stream
In the middle of a snow dream
Sorcerer, show me the high life
Come over, let me put you on Sorcerer, who is the master
Man and woman on a star stream
In the middle of a snow dream
Sorcerer
