

Sister Sweetly

Big Head Todd And The Monsters

Ain't no getting up again
She gonna bring you down
Love gone up and jump again
Turn it all around I'm goin' to the liquor store
To get some peace of mind
Something I ain't done before
I can't seem to find Hold me please, Sister Sweetly
Give to me a place in paradise
Hold me please, Sister Sweetly
And never, never leave me
