

Airwaves

Ray LaMontagne

Where you goin' Rusty James?
There's a Rumble on, Knives and Chains What you doin' Betty Sue?
What you think, I'm comin' with you
I'm comin' with you Through the Airwaves
Can't you feel the fallout?
It's in the Airwaves
Can't you hear me callin' out? Hey! Hey! (shh...Jump and Shout)
Hey! Hey! (shh...Jump and Shout) Rolling outta East LA
Makin' our way to Santa Fe Mary Anne you sure do look pretty
(She says)
Feels so good to get myself out of the City Through the Airwaves
Can't you feel the fallout?
It's in the Airwaves
Can't you hear me callin' out? Hey! Hey! (shh...Jump and Shout)
Hey! Hey! (shh...Jump and Shout) Sittin' on the window sill
Starin' out at the Beverly Hills Everybody movin' so fast
Makes you feel like you already part of the past Through the Airwaves
Can't you feel the fallout?
It's in the Airwaves
Can't you hear me callin' out? Hey! Hey! (shh...Jump and Shout)
Hey! Hey! (shh...Jump and Shout)
Hey! Hey! (shh...Jump and Shout)
