

Amazing (Cuboid Remix)

Mystery Skulls

I'm barely breathing,
I've got no reasons,
Give me the meaning behind the way that I feel, My mind was racing,
My heart was beating,
I felt myself just racing back and forth, I'm feeling crazy,
She looks amazing,
I'm trying hard to not give in,
You got me ready to go, Think we should give in,
To this decision,
It's not like we're gonna regret it,
I know at least I won't I'm feeling crazy,
No, you won't fake it,
Yeah, yeah, yeah, yeah, yeah, What you got, girl,
Is something so amazing,
Ooh, yeah, yeah,
Just your smile, girl,
Is something that could change me,
Yeah, yeah, yeah, yeah, yeah, Don't over-think it,
Don't wanna miss it,
It feels like it, baby, baby,
I just don't even care, Your kiss's like magic,
Oh so tragic,
Wish we could have this
Need to be in control, What you got, girl,
Is something so amazing,
Ooh, yeah, yeah,
Just your smile, girl,
Is something that can change me,
Yeah, yeah, yeah, yeah, yeah, When your love's not feeling true,
And you don't know what to do,
When your love comes to an end,
It was all like pretend That's when you turn away,
That's when I see your face,
Because you found somebody new
When someone wants you, What you got, girl,
Is something so amazing,
Ooh, yeah, yeah,
Just your smile, girl,
Is something that can change me,

Yeah, yeah, yeah, yeah, yeah, What you got, girl,
Is something so amazing,
Ooh, yeah, yeah,
Just your smile, girl,
Is something that can change me,
Yeah, yeah, yeah, yeah, yeah,
