## Kasabian

One, take control of me?  
You're messing with the enemy  
Said it's two, it's another trick  
Messin' with my mind, I wake up Chase down an empty street  
Blindly snap the broken beats  
Said it's gone with the dirty trick  
It's taken all these days to find you I tell you, I want you  
I tell you, I need you Friends, take control of me  
Stalking cross the gallery  
All these pills got to operate  
The color quits and all invade us There it goes again  
Take me to the edge again  
All I got is a dirty trick  
I'm chasin' down all walls to save you I tell you, I want you  
I'll tell you, I need you  
The blood ain't on my face  
Just wanted you near me I tell you, I want you  
I'll tell you, I need you  
The blood ain't on my hands  
Just wanted you near me I tell you, I want you  
I'll tell you, I need you  
The blood ain't on my hands  
Just wanted you near me
